

R Giri Reddy

Full Stack Web Developer

PROFESSIONAL SUMMARY

Adaptable and responsible web developer capable of writing production-ready code using HTML, CSS, JavaScript, React.js, Next.js on the front-end and Node.js, Express.js on the back-end to build single-page applications. Looking forward to work in a paced environment and playing a key role in a company's growth. Hope to be in a challenging environment as a specialized MERN stack developer.
